### MILITANT SOLUTIONS

Objects

Walking while Black

Playing while Black

Driving while Black

Jogging while Black

Sleeping while Black

Breathing while Black

Can we do that?

NHIs that are Human Beings

They got Triangles, Squares, Rectangles, circling the seen

Getting rid of the objects is part of the training

Death to Breonna Taylor

Death to Ahmaud Arbery

Death to George Floyd

Death to 'Murica

But no death to Virus

Melanin soaking up Vitamin D

Trying to repel COVID 19

Quarantine is a dream

Because we don't want to wake up

In police brutality scenes

Cameras ain't proof enough

Firing ain't just for us

Looting and burning a means to abrupt and cuff

Just Us Just Us Just Us Justice in rough

So Afropessimism

Against Racism

Black Americanism  
Objectivism Realism  
Non-Humanism

Ignorance ain't free  
It just running around loose on credit with an EDD debit  
Stimulus checks ain't enough for the debt  
Country burning down in flames  
Built by slaves for free, now ain't nothing to claim

Objects making humane stands  
Homeless in the Homeland  
Coming from a Motherland  
Forefathers didn't have a plan  
Congress is now a no demand  
Got a .45 in office with a sui-psycho-social-genocide Klan

Black is blues, red, gold, and green news  
Sometime purple bruises too  
'Murica been had us in a noose  
Inject bleach or Hydroxychloroquine  
with or without azithromycin  
WTF does that mean.

People without a mask  
Objects with a mask  
People without dogs on leash  
Objects are threats that politely ask  
Firing you and losing your pet ain't enough  
Just question an object when you around us...
