TRUE HUMAN DOGON

(for Ras G.)

*Same colors different skin
Heart pumps humans in
Same colors different skin
Heart pumps humans end*

Mother Ocean flow us our destination
Father Stars guide us beyond
Warriors lead to the fertility of purity
She is itutu as he is high in glow

Come from the ether
Call us to Celestial
The body is a point of light
And we float as liquid carries
The tribes of our Ancestors

"The Nummo divided his body among people
to feed them; that is why it is also said that
as the Universe had drunk of his body,
the Nummo made people drink. He gave all
his principles to human beings."

*Same colors different skin
Heart pumps humans in
Same colors different skin
Heart pumps humans end*

Gave you extraterrestrial
Now you so-so celestial
'Cuz it's mystical magical
Cosmological universal

Biological lyrical
 Never no whimsical
 Phenomenal miracle
 Gave you molecular structure
 From the string of the sutra
 Rhythm drum when we suit ya'
 Word seed tree from the roota to fruita
 Like an alien bling
 Strange sort of sight for your seeing
 It's an alien being
 Odd attractive but
 You see yourself being
 Yet you see yourself being
 Yeah, you see yourself being
 You know Sirius B
 Sort of out there you see
 Beyond any eye that can see
 From the Dog Star I be
 I'm a Dogon at sea
 Constellation Heart Harmony
 Interstellar Parallel Free

Same colors different skin
Heart pumps humans in
Same colors different skin
Heart pumps humans end

Griot to Cosmos
 Griot to Cosmos
 Come in, coming in from
 African Space Station
 Come in, coming in from
 African Space Station
 Come in...
