Imagine a World Without INK!

Cultural Weekly · Thursday, December 6th, 2012

INKubator is the developmental arm of the Katselas Theatre Company; this year alone INK's programs offered 27 staged readings and 11 extended workshop productions promoting the work of more than 50 writers.

To continue this work, they have started an indiegogo campaign, seeking to raise \$20,000 by February 27, 2013. Because INK is affiliated with a non-profit theatre company, contributions are tax-deductible.

Watch their hilarious video below, then [go to their indigogo page](#) and help keep the INK flowing.
