The Wall Series – “Mexican Wall”

## Terry Braunstein and Victor Raphael – A Collaboration

This collaboration grew out of a professional relationship and mutual appreciation of one another’s work. They were motivated to create these artworks in response to the current political environment over the last few years.

---

Four series of limited edition ink jet prints will be featured here over the next several months: *Climate Change*, focusing on the world wide crisis caused by rising global temperatures; *The Wall*, which reflects on how walls are both barriers to human connection and inhibit those escaping persecution; *My Choice*, dealing with a woman's right to choose; and *Lessons to be Learned*, looking at the challenges and wonder of childhood.

“Mexican Wall” is from *The Wall Series*, the first in a series of ten images. We will be posting one artwork from this series each week.
