### Mixed Feelings

I thought I want affection  
A real sense of emotional connection  
Alliterating through thoughts of perfection  
Sharing the same exact complexion  
Intuitively dazed and confused  
Never did I want to be accused  
The feeling of wanting to be amused,  
Used and abused  
I'm so bored of this, you're excused  
Did you really want to be a part of my muse?

Or was it just the groove?  
Was it the necessity to feel improved?  
Or should I ask of you to be removed?  
Detached and deranged  
I never wanted to complain  
Sometimes I like to be insane,  
Strange and looking for some change  
Shot at like if I'm in a range  
Undecided if whether I'm okay  
Or if you're just looking to make me pay  
The sky is always looking so grey  
But why can't we just meet by the bay?
