Most Popular Apps for Playing Free Casino Games

Our Friends · Wednesday, July 8th, 2020

Games of chance are undoubtedly one of the best ways to make a dull Sunday afternoon more fun. They are easily reachable thanks to our smartphones and very straightforward as well. However, they can be quite addictive and lead to different kinds of problems.

Luckily, someone has got an idea to create a free version of casino games that will work in the same way as the real-time ones but carry minimum risk. What is more, the process of playing free casino games has become even easier, as they were all gathered in various apps that can be downloaded to your phone and reached within seconds.

Without further ado, let's take a look at some of the most popular apps for playing free casino games.

Slotomania

Online slots are, by far, the most renowned casino game ever. They come in different shapes and sizes, feature numerous popular themes, excel in graphics and bonus features, and have the easiest gameplay possible.

In case you have never played online slots before, give them a try with [Slotomania](#). We are talking about a community frequently visited by more than 100 million players who enjoy playing the best online slot games without spending a dime.

Slotomania offers all your favourite themes, starting from ancient civilizations, classic fruit machines, fairy tales, and more. Also, by playing games on this site, you can advance and unlock more titles the more you play.

This social gaming site is all about slots that cost nothing and promise a fun experience you shouldn't miss under any circumstances.

Vegas Downtown Slots

If you have already heard of Slotomania and tried the majority of games there, do not worry because we have an ace up our sleeve. Vegas Downtown Slots should be your choice for a spectacular game portfolio of the best free slot games on the web.

Just like Slotomania, Vegas Downtown Slots offers a plethora of possibilities when it comes to

online slot games, as well as a loyalty program that allows you to collect virtual prizes while you spin the reels.

As you can guess from the name itself, [Vegas Downtown Slots](#) carry the name after one of the well-known places for games of chance. This is a great way to feel like you are actually in Las Vegas where slot machines beg for a few minutes of your attention.

Of course, the only difference is that Vegas Downtown Slots gives you the opportunity to enjoy the same benefits absolutely free of charge.

Online Bingo

Although online slots are the games that get the most attention, there are the people who prefer something different. One game that is highly popular apart from slots is online bingo, and it can often be found online for free.

What is more, there are platforms specifically designed for free online bingo and nothing else. The only thing you need to do is create a free account and step into the world of lucky balls.

Nowadays, you can find numerous versions of free online bingo games. Apart from the game itself, online bingo sites offer various other features you can use, like the Autoplay feature and Chat option that enables you to talk to other players.

The [software behind free online bingo games](#) is based on the same principle of randomness as the real bingo software, so you can rest assured that you will get the realistic experience from top to bottom.

Finally, all these games are available on your smartphones and tablets, meaning you can play them anywhere and anytime. Now when you know all that, there won't be space for boredom in your life ever again!
