Nathaniel Onandia: “Fully A Part”

Nathaniel Onandia · Wednesday, April 4th, 2018

We are fully a part of our world.
 Who we are, why we belong,
 All of us, united through nature.
 Perceive relation & create compassion.

Who we are, why we belong,
 how we exist, our questions
 Perceive relation & create compassion.
 Sculpting our union with our world

How we exist, our questions
 Realization of pain & impermanence
 Sculpting our union with our world
 This biological world with its ecological interactions

Realization of pain & impermanence
 This frail creation influences
 This biological world with its ecological interactions
 Our lives always tied together.

This frail creation influences
 All of us, united through nature
 Our lives always tied together,
 We are fully a part of our world.
