Neko Case: 'Night Still Comes'

Cultural Daily · Wednesday, November 6th, 2013

“Night Still Comes” is the first single off Neko Case’s new album, *The Worse Things Get, The Harder I Fight, The Harder I Fight, The More I Love You*.

We love her lyricism and her poetry—who else would write the phrase “a boreal feast,” as she does in the song? The video showcases her lyrics, and Case is a music-poet of the highest order.

She’s also a staunch defender of coming to terms with yourself, defending your identity and values, and standing up for what matters in relationships and the world around us. “Whatever hell may be upon you, you don’t have to take it,” case recently tweeted.
