Vikings of Fortune

Vikings of Fortune is a slot game that is set along five reels, three rows and 20 paylines, where you will come face to face with Norse mythology and play alongside the likes of Odin and Thor. The wild lightning sword yields 10,000x your wager – offering the games ultimate jackpot! On top of this, a wild Thunder Streak symbol can appear, and cover the centre reel, triggering a re-spin where winning symbols stay on the reels until no more can be added. Three or more bonus symbols offer a re-spin that allows an attempt for even more free spins. Also, ten or more bonus symbols can reward 100 free Thunderspins! During this, the wild symbol stays situated on the middle reel and any wins can trigger another Thunder Streak. The power of *Vikings Fortune* is yours, so step into this ancient Norse world and harness the lightning in an attempt to win the ultimate jackpot and boost your bankroll.
