Semaj Earl: “white butterflies”

Semaj Earl · Sunday, September 13th, 2020

white butterflies

to see a butterfly,
is a divine act

the dream carriers,
tell of supernatural favor

i stopped believing in luck
the day i was baptized

at 8 years old,
it was as if my purpose was calling me
to the watery grave

to see a white butterfly,
is a constant reminder

white is what Angels wear
even outside of choir practice

heavenly communication tactics
that prayers are being answered

all my questions about life pass away
a white butterfly appears
and God shows me the answers
