### Unspoken Truths

People's cry for help  
wishing someone  
would hear

Hungry  
for someone  
to truly listen

Afraid  
of sounding crazy

Silenced  
by their inner-hate  
self love  
is non-existent

How do you express something  
you've never felt?  
Relying on others for constant  
reassurance

That they are important

That they matter

The voices in their heads  
much louder  
than when they  
actually speak

Overcome with fear  
scared to speak  
scared to be silenced  
once again

scared to lose their voice  
scared to lose  
their thoughts  
scared to lose the one thing  
they can truly call  
their own
