What would you do  
if you wasn't afraid?  
Carry out everything  
you'd ever say?  
Would you love a lil harder?  
Take more pictures,  
no discardin'  
Would you care less about  
all the stress  
on ya brain?

My heart stopped  
when I woke up  
I been livin a lie  
My ppl could die  
for nothing

No discussion  
No trial  
My hands to the sky  
I cry out the question of "why?"

We all in competition  
Relentless to be so blind..  
and yeah I know,  
talk about me in the lowest form

Don't make no difference  
Only forgiveness quiets

the storm

I paint the visual;  
 Lyrical art for heart and soul  
     I pray for healing;  
 Keep God close cuz "ya never know!"  
 Passion'll kill ya I'm livin proof  
 of the battle sounds

    I'm takin chances and dodgin bullets  
     to kiss the ground  
     Fed up wit takin whatever  
     it is coming to me

Tired of being told the way  
 I used to be when ya run into me  
 I pray they never in front of me  
 like I ain't down to ride

                                    I ain't changing  
 But I refuse not to grow  
                                     wit the time

                                    I do my best  
 Must confess

                                    I've been aiming to please  
                                     I'd love to succeed  
 To be sure ain't no  
                                     movin this "cheese"

                                    I hate mazes  
                                     I hate chasing  
                                     I hate dating

I hate wasting  
                                     my patience  
 And craving for relations  
 I ain't waitin for hand outs

I stand out

You'll judge me anyway,  
                                     Here goes your chance now!

  I'll fight to be  
 original.
