Independent Voices, New Perspectives

Without 'U' It's Just 'CLTRE'

Cultural Daily · Wednesday, July 25th, 2018

Cultural Weekly doesn't happen without YOU. This is a challenging time for culture, and we need your help.

Since we began our journey together, we have published more than 3,600 provocative articles by nearly 700 authors, including over 250 poets! We've launched the 6th annual Jack Grapes Poetry Prize, which seeks out new poets from around the world. The Dare to Dance in Public Film Festival showcases amazing choreography and dancers. Tomorrow's Voices Today spotlights the work of keen-eyed high school students.

We provide Cultural Weekly for free to more than 20,000 people every month because we are committed to giving a broad platform to necessary voices at the edges of art and culture. We are global, visionary, diverse. To keep going, we need YOU. [We need your financial support now more than ever.](#)

This year, we plan to expand the diverse voices we platform, relaunch our site, and broaden our agenda to reflect the social and creative issues of our times. Your support will allow that to happen. Because culture is for all of us.

We need to raise \$10,000 by September 15 to keep publishing Cultural Weekly and expand how we serve the creative community. Next Echo Foundation is a 501(c)3 non-profit organization, and every penny of your generous donation goes to support the work. Please consider a monthly pledge.
